*Welcome to Camp Springs Community Church. I trust that you will be blessed today as we study God's Word together. The foundational teaching of the Bible is the Gospel of Jesus Christ, which simply teaches that every person is a sinner (thinks and does wrong things) and is permanently separated from God and Heaven. However, Jesus Christ (God's Son), became a man who died by being nailed to a cross to pay for the sins of the world, and then rose from the grave. Whoever puts his faith in Jesus Christ for salvation will have his sins forgiven and will gain entry into heaven (John 3:16). Please ask us if you have questions.*

**Please pray with us for these two important events coming soon**

**Hello Camp Springs Community,**

**We wanted to inform you of these two events so that you can partner with us in prayer. We appreciate what you do there to impact lives here with the Good News.**

#### **Ladies' Day Outreach**

**This Saturday, October 15th, the annual ladies' outreach will take place here in Corbas. Lucy is in a committee that has worked hard to prepare it this year with the day being built around the theme of the rich Hebrew word "Ezer" - one who helps, rescues, saves; an ally. 91 women are signed up and we'd ask prayer for the logistics, the technical aspects, the speaker and the translator, good health for all ... but particularly for the women's hearts to be touched by the Word.**

#### **"When everything shatters" outreach**

**Saturday November 5th a couple will give their testimonies of how God worked in and through them when they were in a terrorist bombing in Brussels. Please pray that those who are invited will come, that they will realize their spiritual need and that they will begin a journey to faith in Jesus. We are blessed to serve with you.**

**With our love, Kevin and Lucy**
