APRIL 21, 2024

Welcome to Camp Springs Community Church. I trust that you will be blessed today as we study God's Word together. The foundational teaching of the Bible is the Gospel of Jesus Christ, which simply teaches that every person is a sinner (thinks and does wrong things) and is permanently separated from God and Heaven. However, Jesus Christ (God's Son), became a man who died by being nailed to a cross to pay for the sins of the world, and then rose from the grave. Whoever puts his faith in Jesus Christ for salvation will have his sins forgiven and will gain entry into heaven (John 3:16). Please ask us if you have questions.

Dear Friends,

Greetings from the Philippines! We are in the middle of our dry season and it has been extremely hot. It is a blessing that we live in the mountains, with much trees, so we have a nice breeze, to keep us cool. Although we are located in the mountains, we are 5 miles to the nearest beach. Often times we will bring the kids to a park, that is by the ocean, where we will enjoy our family Friday night. This past February 24th was Nanay (Mom) Ligaya Fulfer's 76th birthday and we celebrated it by overnight camping on another Island. It took two pump boats to get all of the children and staff over to the Island. Seeing the children full of life and laughter is such a joy, especially when you know exactly what they were rescued from.

This month, we took in **five siblings**, four boys and one girl. The siblings have gone through harsh beatings at the hands of their own parents. The worst came to the only girl who suffered sexual abuse from her father since she was a toddler. She had been beat and raped everyday up until 10 years old. It is truly horrific what our children have been rescued from. Please continue to pray for them that they will fully comprehend God's love and always be grateful and never feel entitled. We have seen time and time again those children who have come to understand God's love for them and live with gratefulness, are successfully living a life of service to God. On the other hand, there are those who feel entitled of God's love and live miserably complaining, despite being rescued from a gruesome life.

As you may remember I have mentioned that our SBCHome is situated in the mountains. We are in the process of putting up a much needed retaining wall to keep the dirt from eroding. Whenever we have a specific project we will count the cost and put it out for those who would like to sponsor that project. For this particular "Building project" \$13,000.00 is what is needed.

Lastly please pray for our monthly support. Most recently, we have had 3 churches drop support for SBCH, for the reason of a decrease in their church membership. Our prayer is that the Lord will bless all of you because of what a tremendous blessing you all are to us!

Thank you very much for your love, prayers & support!
