*Welcome to Camp Springs Community Church. I trust that you will be blessed today as we study God's Word together. The foundational teaching of the Bible is the Gospel of Jesus Christ, which simply teaches that every person is a sinner (thinks and does wrong things) and is permanently separated from God and Heaven. However, Jesus Christ (God's Son), became a man who died by being nailed to a cross to pay for the sins of the world, and then rose from the grave. Whoever puts his faith in Jesus Christ for salvation will have his sins forgiven and will gain entry into heaven (John 3:16). Please ask us if you have questions.*

Greetings partners,

As we have shared, our church has welcomed several refugee families coming from Latin and South America. There are many more latinos and latinias living in our area. We have tried, with some success, to reach out to them but have realized for a long time that much more could and should be done. Time keep us from being able to do more.

It seems that the Lord has answered our prayers to '*Send more workers to the harvest.*' Just over a week ago I was at the airport to pick-up the Alcivar family.

Uri and Carmen and their children Emmanuel and Abigail are originally from Mexico. They are presently living near Grand Rapids where Uri is finishing a theological degree. The Lord has led them to apply to serve with United World Mission and they are to be fielded to Belgium as soon as their visa is issued by the Belgian authorities (prayer subject!). Their desire is to come and work alongside us to provide edification and mentoring to the existing latino community and to reach out to the many refugees in our city and beyond. They also have a passion and some training in strengthening marriages and families.

On Sunday they were welcomed by the latino community of our church. Fellowship for many latinos is spelled "F O O D" so they had cooked a Belgian specialty for them.

On Monday we introduced Emmanuel and Abigail to the schools that they will be attending. They seem ready to tackle the challenge of learning yet another language. Another prayer subject! On Wednesday Uri led the Bible Study in Spanish which greatly encouraged the Spanish speaking believers and was appreciated by all present.

They are presently attending UWM's EuroConference before flying back to the US on Monday May 6th. They'll come back as soon as the visas are granted !!

Myriam and I as well as Timothy, Divine and family are also in Albania for the EuroConference. Flying with three kids under four was a challenge. They did so well ! -- just natural missionary kids

Daniel is leading this event which has been in preparation for many months. Yours prayers are appreciated. We'll share more about it when back in Belgium.

° Please pray for the Alcivar family, especially visas.

° Please pray for the EuroConference (encouragement, protection, renewal of vision, exchange of ideas and strategies

° Please pray for Myriam who has been unwell for two weeks (bronchitis, strong allergies and asthma). She had seen a doctor in Belgium and saw another one here in Albania. She is slowly coming out of it.

Thank you for standing behind us and being a constant encouragement to give it all for Jesus.

In Him

Daniel and Myriam Liberek
