JUNE 23, 2024

Welcome to Camp Springs Community Church. I trust that you will be blessed today as we study God's Word together. The foundational teaching of the Bible is the Gospel of Jesus Christ, which simply teaches that every person is a sinner (thinks and does wrong things) and is permanently separated from God and Heaven. However, Jesus Christ (God's Son), became a man who died by being nailed to a cross to pay for the sins of the world, and then rose from the grave. Whoever puts his faith in Jesus Christ for salvation will have his sins forgiven and will gain entry into heaven (John 3:16). Please ask us if you have questions.

VALBUENA FAMILY

Dear Friends,

God is always right and always good! I pray that each and every one reading this is well and basking in the goodness of God. Though there are rough patches along the way, I wholeheartedly agree with the songwriters' words "In Christ Alone my HOPE is found!"

We, (Odek & Annalisa) celebrated our 28th anniversary this past June 7th. We have also seen the birth of our 7th grandchild. We give all praise and honor to our Lord Jesus Christ for all the MERCY and GRACE!

Samuel is currently in Houston, TX for his summer break. His brother, our second child (Rod), has a food truck business in Houston where Sam is working. Elizabeth (our youngest) is missing her big bro even though Sam's love language is picking on her.

Subic Bay Children's Home

Our **Subic Bay Children's Home** ministry welcomed 4 new siblings into the family. The siblings attend our mission church in the mountain of Cawag, Subic. The eldest of the siblings came to Annalisa and disclosed that she was being abused by her step father since she was 11 years old and prior to that her mother had given her to a 55 year old man in return for financial aid. Please be in prayer for these dear children and the process of court hearings they will soon have to face. Please do remember in prayer our daughter and son in law (Hannah & Ruel) as they manage all day-to-day affairs of the SBCHome.

Subic Bay Baptist Mission (San Marcelino) 4th Building Project 90% Complete

Praise the Lord for the 4th mission church that we have been able to complete! I am truly amazed as the Lord is miraculously using a church in the US to financially sustain the building of our mission outreach churches!

Project Dorcas

PROJECT DORCAS ministry was able to give out food packs to three of our mission churches. 150 families received a bag of Rice, hotdogs, coffee and cream. Our mission churches are located in the mountains amongst the poorest. Through God's provision we were also able to give 200 toiletry kits out to the inmates after we held a joint evangelistic meeting for the male and female detainees. During this particular meeting six Muslim women came to know the Lord Jesus Christ as their Savior!

For our government officials we were able to hold an evangelistic meeting where we had Dr. Cirone of Pensacola Christian College deliver a powerful presentation of the gospel. There were several professions of faith of Police officials, barangay officers, and the Philippine Army. Project Dorcas aims to be a blessing by giving towards their physical needs, as the Lord provides.
