JULY 14, 2024

Welcome to Camp Springs Community Church. I trust that you will be blessed today as we study God's Word together. The foundational teaching of the Bible is the Gospel of Jesus Christ, which simply teaches that every person is a sinner (thinks and does wrong things) and is permanently separated from God and Heaven. However, Jesus Christ (God's Son), became a man who died by being nailed to a cross to pay for the sins of the world, and then rose from the grave. Whoever puts his faith in Jesus Christ for salvation will have his sins forgiven and will gain entry into heaven (John 3:16). Please ask us if you have questions.

TEDDY AND LIGAYA FULFER

Dear Friends,

Greetings from the Philippines. Ligaya and I are back here and are blessed to see the work continue to grow and flourish. The Lord has allowed us more years to see the construction of four new mission churches. I trust that the Lord will continue to provide the funds for the installation of ceiling fans, and other necessities.

It is a joy to see all of my children actively pursuing a life pleasing to God. Odek and Annalisa (Our daughter and son in law) was who Ligaya and I trained and gradually transitioned to take over all of the day-to-day affairs of Subic Bay Children's Home. It has come around full circle for them and they are now at the point where they are transitioning all day-to-day responsibilities to their daughter Hannah and her husband Ruel. It is a blessing to have our grandson Timothy as the director of our AMAGOH ministry. That ministry started out as our bible basketball ministry and AMAGOH is an acronym for "A Man After God's Own Heart". Timothy is taking that ministry to another level to include more sports to reach more young people with the gospel. Our 16-year-old grandson Samuel surrendered last year to preach and is dual enrolled at the moment. As he finishes up his last two years of high school he is also enrolled and taking classes in our Bible Institute. We are encouraged to know that the ministry will continue on!

Annually, we have a junior camp, youth camp, and bible basketball camp. Through these ministries seeds are planted and we have seen them grow. Throughout the years we have been using the facilities of our Subic Bay Children's Home. The Lord has given us the vision to build a campsite dedicated solely for year-round camps. We have the property but will need to build the facilities. The vision is to have an open multipurpose building, cabins and trails.

Please continue to pray for mine and Ligaya's health. Ligaya and I will need to return to the states for surgeries. Ligaya had a cataract operation on her eyes, she is needing to go back to the states for a follow up check up. She will also need another hearing implant due to her complications on her current implant. I, on the other hand, have been having trouble walking due to knee pain. I had a steroid shot that helped with the pain for a couple of months. Hence, I was advised to get a knee replacement which I am scheduled for.

In Closing, We are so thankful to those who sacrificially support us plant churches to spread the good news in the Philippine islands.

**As always, Ligaya & I thank you for your love, prayers, and support In Christ,
Teddy & Ligaya Fulfer**
