JULY 28, 2024

*Welcome to Camp Springs Community Church. I trust that you will be blessed today as we study God's Word together. The foundational teaching of the Bible is the Gospel of Jesus Christ, which simply teaches that every person is a sinner (thinks and does wrong things) and is permanently separated from God and Heaven. However, Jesus Christ (God's Son), became a man who died by being nailed to a cross to pay for the sins of the world, and then rose from the grave. Whoever puts his faith in Jesus Christ for salvation will have his sins forgiven and will gain entry into heaven (John 3:16). Please ask us if you have questions.*

# JOHN AND LINDA HEATER

Good afternoon prayer team!

Thank you for your prayers and concern regarding Hurricane Beryl in ear July Our Northern coast of the island was not hit as hard as other parts of the island. Mike and Jayne Kauffman and their kids braved the storm with Nickalous and Kezia Walsh at TEAMS House and the Residence.

Thankfully, losing power, water and 2 trees was the extent of damage that happened it was a difficult time for so many but they appreciated how our community came together and helped one another out during the storm.

The mission team from Bethel Bible Fellowship Church and First Baptist Church of Allentown are here this week. They are partnering with eh volunteers from TFA to provide a VBS, TEAMS Faith Academy and out reach to the youth.

After a short week we wash sheets and towels and prepare, the August J-Team will start arriving on August 2<sup>nd</sup>. We will have a very big team to build a home, conduct medical clinics and run Bible Blast at TEAMS house. We really do appreciate you partnering with us in prayer.

Lastly, thank you for your prayers for our financial plea for the Heartbeat fund. We are so grateful for the \$35,000 offered as matching gifts. Please pray for this urgent need.

Blessings,

Linda heater for John Heater  
Teams for Medical Missions  
Executive Director.
