AUGUST 25, 2024

Welcome to Camp Springs Community Church. I trust that you will be blessed today as we study God's Word together. The foundational teaching of the Bible is the Gospel of Jesus Christ, which simply teaches that every person is a sinner (thinks and does wrong things) and is permanently separated from God and Heaven. However, Jesus Christ (God's Son), became a man who died by being nailed to a cross to pay for the sins of the world, and then rose from the grave. Whoever puts his faith in Jesus Christ for salvation will have his sins forgiven and will gain entry into heaven (John 3:16). Please ask us if you have questions.

Greetings partners,

Let us start by saying "Thank You !" for the prayer shield that you placed in front of us. The enemy was thwarted in his attempts to disrupt the camp. Praise God ! This camp, unlike the last two editions, did not suffer outward, direct attacks from the enemy. I was almost disappointed not to have a great story to share with you though the lack of violent spiritual attacks was a relief !

A group of counselors sharing the first vision of Revelation.

Rebekah, camp co-director, wrote "*The camp was great, encouraging.*

What a blessing to spend so many hours studying the book of Revelation. At camp's end we offered a manga on the book of Revelation to each of the kids. They were delighted.

Throughout the last few months we were able to set aside food unwanted by the beneficiaries of the food bank. Saving on the food budget allowed us to provide full (or partial) scholarships to:

- 3 kids whose parents come to the food bank.

One committed his life to Jesus 🙌🌟🙏

- 1 school friend of Samiel (my nephew) ignorant about who Jesus is

- 2 kids who attend church today (with their mom) but whose Dad is looking to divorce their mom. She could not afford to cost of camp.

- 1 boy, son of a tradesman who is doing a job for believers. The boy has disconnected from school and is being bullied. He also was unaware of who Jesus is. "

Rebekah and Gregory want to be able to sponsor more such kids next year !

A masterchef like contest was organized. You can see the desert that these two groups made.

Things got a bit hectic during the camp's last night when, at midnight, one of the young girls came down with appendicitis. Her counselor had just fallen sick and was in isolation. Gregory worked on finding someone to stay with the other girls while Rebekah went with the sick girl to the local hospital. While they prepped her for surgery (appendicitis) Rebekah tried in vain to call both parents. By the time someone answered (around 10am the next morning) the crisis had subsided. Feeling better, the young girl was allowed to leave the hospital and she decided to stay until the end of the camp and hold her part in the short play her girls had prepared.

Some of the kids' handiwork based on passages of Revelation

Her counselor was encouraged to go home but, feeling slightly better, she decided to stay and fulfill her commitment

We are grateful for God's protection that was sought and secured through your prayers. THANK YOU !

Welcome
