SEPTEMBER 22 ; , 2024

Welcome to Camp Springs Community Church. I trust that you will be blessed today as we study God's Word together. The foundational teaching of the Bible is the Gospel of Jesus Christ, which simply teaches that every person is a sinner (thinks and does wrong things) and is permanently separated from God and Heaven. However, Jesus Christ (God's Son), became a man who died by being nailed to a cross to pay for the sins of the world, and then rose from the grave. Whoever puts his faith in Jesus Christ for salvation will have his sins forgiven and will gain entry into heaven (John 3:16). Please ask us if you have questions.

28TH: THANKSGIVING

THE VALBUENA'S

God's grace is sufficient! I'd like to share with you some of the most recent blessings showered upon us. We pray that this brings you encouragement as you have been a part of these accomplishments by praying and supporting financially.

Everyone of our buildings are now running on Solar! It is truly amazing seeing the number on our electric bill drastically drop. We are now running our AC for our kids at school. What used to feel like an oven is now a comfortable place for the children to study and learn their academics and about God.

Please continue to pray for our children and teachers. This past year we have taken in several children who are older but have never learned to read or write.

God has brought several new children to us that we have welcomed to the family. These children have been rescued from being trafficked and molested. A long journey of healing and restoration is ahead for them. Please do pray for their healing and that they will accept God's gift of salvation.

Due to our property being on a mountain we have had to construct many retaining walls. The latest one is nearly complete, and we can also use a portion to place more rooms for boys if needed.

PRAYER REQUESTS:

Speaking of the boy's dorm, please do pray for building funds for the current boy's dorm to replace their roof, repaint and repair. It is past due and often when the rain is strong there are many leaks.

Thank you very much for your love, prayers & support!

Annalisa Fulfer-Valbuena

SUNDAY 22 SEPTEMBER 10:00 & 11:00AM
