SEPTEMBER 29, 2024

*Welcome to Camp Springs Community Church. I trust that you will be blessed today as we study God's Word together. The foundational teaching of the Bible is the Gospel of Jesus Christ, which simply teaches that every person is a sinner (thinks and does wrong things) and is permanently separated from God and Heaven. However, Jesus Christ (God's Son), became a man who died by being nailed to a cross to pay for the sins of the world, and then rose from the grave. Whoever puts his faith in Jesus Christ for salvation will have his sins forgiven and will gain entry into heaven (John 3:16). Please ask us if you have questions.*

## September is Bible Translation Month

September is Bible Translation Month! All month long, we'll celebrate the progress we've made together.

Alongside our global network of partners, we've engaged over 2,000 languages and more than 2 billion people.

But we won't stop until every person can encounter God's Word in their heart language.

Every mother who longs to speak verses of peace over her children. Every elder who hopes to pass on the wisdom of Scripture to future generations. Every person who aches for a reminder that God sees them and speaks to them just as they are

### Praise

- Bethanie's doctor recently found a lump in her breast. We are praising God that an ultrasound revealed it is not cancerous.
- The Seed Company has 1360 languages under management
- **There are 980 languages still waiting for the Scriptures.**

- Kyle and Cali will be starting college soon. Cali at Grace and Kyle at Taylor
- Kent had injections in his knee that will take care of his pain he did not have to have knee replacement
