NOVEMBER 17, 2024

Welcome to Camp Springs Community Church. I trust that you will be blessed today as we study God's Word together. The foundational teaching of the Bible is the Gospel of Jesus Christ, which simply teaches that every person is a sinner (thinks and does wrong things) and is permanently separated from God and Heaven. However, Jesus Christ (God's Son), became a man who died by being nailed to a cross to pay for the sins of the world, and then rose from the grave. Whoever puts his faith in Jesus Christ for salvation will have his sins forgiven and will gain entry into heaven (John 3:16). Please ask us if you have questions.

SUBIC BAY CHILDRENS HOME

Dear Friends,

Greetings from the Philippines. It has been a minute since we have sent out any kind of update on the Subic Bay Children's Home (SBCHome). As some may already know my eldest (Hannah) and her husband are now missionaries and work alongside us here in the Philippines. Hannah cares for all day-to-day affairs and activities of the SBCHome. I pray that you will take the time to read her update below and be blessed. I have asked her to be more consistent in writing updates and she should have one out each week. As always, thank you all for your love, prayers and faithful support.

Sportsfest 2024 outdoor events

Thanksgiving season is finally here! We plan to spend more time outside going to the park and planning family trips to enjoy the cooler weather. The children will be putting up Christmas decorations this week as the Filipinos usually start Christmas early. Hopefully, we can enjoy nicer weathers and less typhoons for the rest of the year.

We had an eventful month in October. One of which is one of our most sought-after events at our school-*Sportsfest*. It is where our children can showcase their talents and get competitive. We got to witness singing, instrumental performances, declamation, preaching and some other sports. It such a joy to see these children go from being insecure to confident through Jesus Christ. It was a proud moment for all of us. We are grateful for your support and for helping us make this happen for them.

One of our ways of preparing our children is to encourage them work on what they're already good at. We'd like to feature and introduce to you two of our older girls, Lorie and Angela who recently finished their training in eye lash extensions. It has been a thrill seeing these children grow up to have ambitions and dreams.

Thank you very much for your love, prayers & support!

God bless you all!
