*Welcome to Camp Springs Community Church. I trust that you will be blessed today as we study God's Word together. The foundational teaching of the Bible is the Gospel of Jesus Christ, which simply teaches that every person is a sinner (thinks and does wrong things) and is permanently separated from God and Heaven. However, Jesus Christ (God's Son), became a man who died by being nailed to a cross to pay for the sins of the world, and then rose from the grave. Whoever puts his faith in Jesus Christ for salvation will have his sins forgiven and will gain entry into heaven (John 3:16). Please ask us if you have questions.*

# SUBIC BAY

Dear Friends and Supporters,

As Christmas approaches, we at Subic Bay Children's Home would like to take a moment to reflect on the year gone by and share the joy and gratitude we feel as we celebrate Christmas together.

This year has been filled with growth, love, and progress for the children in our home. We are proud to say that every child has made remarkable strides in their personal development, from excelling in school to discovering new talents and interests. Your unwavering support, whether through donations, volunteering, or kind words, has been a beacon of light in their lives, and we cannot thank you enough for your generosity.

As always, Christmas is a special time here at Subic Bay Children's Home. It's a time when we come together as a family and celebrate the reason for the season but also the reason why we have this ministry we call home. The children have been working hard to prepare songs for our church cantata. They will also be participating in a caroling competition inside the freeport zone with Godly Christian carols that speaks about Jesus and not Santa. Please pray for them as they evangelize through a joyful noise.

On the subject of making a joyful noise Athenna, one of our older girls, has improved in singing over the past year. She is the best alto singer in our children's choir with the guidance of our music teacher that also grew up in the children's home. She has also shown interest in teaching bible stories in our bible clubs. It is a joy to see a young lady sprout from a little girl who was traumatized and abused by her own mother. Behind all the smiles and these talents, she has experienced some very gruesome acts that made her heart bitter and full of anger. That was transformed during our youth camp last month when she surrendered everything to the Lord and asked Him to be her Lord and Savior. She is now in Pastor Odek's baptismal class on the road to get baptized this coming Sunday.

We would like to express our deepest gratitude to each of you for your continued support. Your contributions, whether big or small, make a tremendous difference in the lives of our children. Thanks to you, we have been able to provide them with not only a safe and nurturing home but also opportunities for growth, education, and the good news of salvation.

As we look toward the new year, we are excited about the opportunities ahead. We remain committed to providing a supportive and loving environment where every child has the chance to reach their full potential. We are excited about upcoming projects, educational initiatives, and community outreach programs that will help us continue to build a brighter future for the children in our care.

On behalf of all the children and our family, we would like to extend our warmest wishes to you and your family. May your Christmas be filled with love, joy, and peace. We look forward to another year of making a difference, with your continued support.

Thank you for being part of our family.  
With warm regards,

In Christ,  
Missionary Hannah Valbuena-Villamiel
